Re: Donation,

At this time Burundi is experiencing devastations caused by flood in the province of Bujumbura where many people have lost lives and some ended in hospitals. Due to this flooding, thousands have been forced to evacuate and left their belongings behind which make their everyday lives uncertain.

The Burundian Community of Toronto which I preside and the Burundian Community Canada wide are making a common effort in collecting aid in order to help those touched by the disaster.

I am asking everyone who can to make a donation in anyway they can in order to make a difference in lives of those in need.

My friends, there's no such thing as too small or insignificant donation. Here is an example, a \$5.00 donation can buy a pound of rice, a loaf of bread, a pound of potatoes, one liter of milk and a dozen of eggs in Burundi. You can see that this is big and significant for someone who hasn't have food for days.

So Please don't hesitate to give what ever amount you can, and please help me also to spread this message to anyone that you may know.

Please send your Donation to

Burundian Community of Toronto cbcatoronto@cbcatoronto.org or to myself at vulpien@rogers.com.

If you have any questions, please fell free to contact me at 416 567 8705

I thank you all on the behalf of the Burundian Community of Canada.

Vulpien Nzopfabushe

CBCA Toronto region President.
